It is tru- ly right to bless you, O The- o- to- kos ,

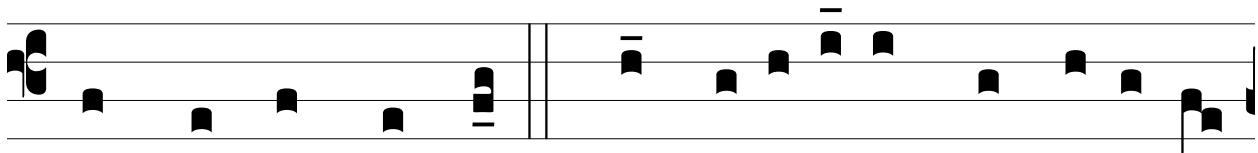

You the ev- er-blessed The most pure-, and the Mo-ther of our

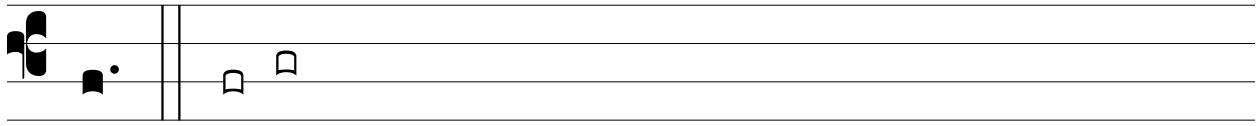

God. More honorable than the cher- u- bim And more glorious

bey- ond compare than the ser- a-phem Who without cor-rup- tion gave

birth to God the Word-. True The- o- to- kos, we mag-ni- fy

you.

A-men.
